MUSEUM LECTURE
Tuesday, April 11 3:00 p.m.

In addition to the lectures already scheduled earlier this year at The Cleveland Museum of Art, Mr. Jean Ehrmann of Paris will speak on Tuesday, April 11 at 3:00 p.m. in the Museum's auditorium. His topic will be CARON AND HIS MILIEU.

Mr. Ehrmann's father-in-law, Gustave Lebel, rediscovered Antoine Caron (1521-1599) in 1936 and Mr. Ehrmann himself has published a book as well as numerous articles in European and English journals on this artist who was a painter attached to the Royal Valois court of France. Caron's paintings are regarded as political commentaries on 16th century France.
